

Canada Wide Early Learning Child Care

On 20 October 2022, Brason Montessori got approved to participate in the CWELCC federal plan through a partnership between the Ministry of Education and the Region of Waterloo.

CWELCC. The program aims to:

- give families access to more affordable and inclusive Montessori options
- help lower fees for parents of children under the age of six

More details can be found here: <https://www.ontario.ca/page/canada-ontario-early-years-and-child-care-agreement>

Under this agreement, the first fee reduction of up to 25% will come into effect from 1st November 2022 and will be retroactive to April 1 2022. Parents or guardians of children who are eligible do not have to apply to receive a fee reduction. While the fee reductions are being implemented on November 1, fee rebates are retroactive to April 1.

At Brason Montessori, those fee rebates (April 1 to Oct 31) will be calculated and applied to your child's account as a credit towards reduced fees for November, thus lowering, eliminating the fee or refunds to your account.

Families who are eligible for a fee rebate but have withdrawn or graduated from Brason Montessori will still receive a fee refund either by direct deposit to their bank or by e-transfer, depending on the circumstances. In this case, refunds will be issued no later than November 16, 2022.

CWELCC 2023

Brason Academy Montessori School has continued its participation in CWELCC in 2023. Under this agreement, the fee schedule is lowered by a further of 37% from November 2022 fees. This is the same as 52.75% reduction from the September 2022 fees. Please see the fees schedule for details.
